

For those with a love and aptitude for mathematics or a desire to pursue a career in the STEM fields (Science, Technology, Engineering and Mathematics), we have a pre-AP program of courses designed to prepare you for college majors requiring advanced mathematical knowledge. All of these courses require an application and a teacher recommendation.

Pre-AP Algebra I (offered at the middle school)

Pre-AP Geometry

Pre-AP Algebra II

Pre-AP Precalculus

The above sequence of courses is designed to prepare students for further study in our AP classes, which include:

AP Calculus AB

AP Calculus BC

AP Statistics

AP Computer Science
